

Project: **Lamanda Court**  
Location: **Pasadena, California**  
Type: Multi-family  
Client: Villa Nova Developing, Inc.  
Size: 55,723 sq. ft.  
Units: 33

Bungalow styles have long been considered to be nearly synonymous with Pasadena housing. This mid-rise multi-family development takes its design cues from that iconic local archetype. The project includes the rehabilitation of a historic home on the property and the new construction of thirty-two additional units.
