

Project: **Patolina Drive**  
Location: **Corona Del Mar, California**  
Type: Single-Family  
Size: 2,881 sq ft.

This three-bedroom coastal contemporary home sits just a few hundred yards away from the bay and yacht club. The communal spaces are meant for social gatherings, utilizing expansive bifold doors to create a seamless indoor-outdoor connection. The focal point of the Living Room is a stone wall and fireplace, bathed in sun from a linear skylight above. The outdoor spaces are outfitted with a spa, deck, fire pit, and cabana.
